**UNOPPOSED MOTION TO ATTEND
STATUS CONFERENCE REMOTELY**

COMES NOW, Defendant West Indies Petroleum Limited (“WIPL”), through its undersigned counsel, and hereby moves to attend the July 2, 2025, status conference remotely.

Despite the recent failed mediation, WIPL is working with Plaintiff separately and independently to resolve the claims against WIPL (with no admission of liability) in lieu of an anticipated motion for summary judgment by WIPL. Plaintiff and WIPL have had productive discussions.

Undersigned is travelling to Minnesota from St. Croix on June 24 (see **Ex. A**) and would be glad to return for the July 2 hearing in person. However, in light of WIPL’s and Plaintiff’s counsels’ probable resolution, the Court’s leave to appear remotely is respectfully requested.

Respectfully Submitted,
